

COURSE TITLE

PUPPETS IN THE SCHOOL

Presentation

- The puppets have always been a mysterious object, which captivates and demands the attention of everyone who contemplates it.
- In the age of technology, it is also worth stopping and offering things that are simpler, closer, but with great potential.
- The educational power of puppets is currently undervalued in school. The time to take advantage of it has arrived, can you help us?

The **objectives** of the course are:

- To know and use the potential of puppets in education.
- To build foam puppets and shadow puppets.
- Create or plan a show for a specific purpose.

Target group

The training course is addressed to primary and secondary school teachers, VET teachers, VET trainers, adults' teachers, managers and employees of enterprises as well as social and youth workers of non-profit organization and public entities.

Course language

This course can be provided both in English and Spanish.

Methodology

The methodology used in the course consists mostly on theoretical and practical tasks with the teacher's explanation of specific contents related to the objectives of the course.

Constant feedback from the teacher will ensure that the concepts, tools and methods are acquired by all participants.
